

### **Fast facts about YO:Durham:**

- YO:Durham is a workforce readiness program for at-risk high school students ages 15-17.
- The program features four components: a Summer Career Academy, internships, mentoring, and service learning.
- YO:Durham students are paid a stipend for their participation in the Summer Career Academy and for their internships.
- YO:Durham hopes to match each student with a personal, one-on-one mentor who can be a supportive adult presence as the student faces the challenge of balancing school and work commitments.
- Each YO:Durham student is required to complete at least 10-hours of community service in addition to group service projects.

### **How you can help:**

- Become a mentor
- Provide an internship placement at your business or workplace
